To qualify for the Handicap Championship you must return at least 1 score from the 2 preliminary rounds. The best of these scores shall fill the available tee slots out with those allotted to the Scratch & Ladies competition.

Entry to the scratch competition does not mean qualification for the handicap competition. Scratch is 2 rounds played on the same day. After round 1 a leaderboard format will apply to round 2, i.e. leaders paired together and go out last. Winner will be lowest scratch over 36 holes and top 16 qualify for the Matchplay Championship. In the event of a tie a playoff over 1st, 17th and 18th holes will take place. If there is still a tie the winner will be decided by sudden death over the same holes.

Handicap Championship will be played over 1 round on the day. The winner will be lowest 36 hole score from best preliminary round added to your net score on the day. In the event of a tie the best net score over the 18 wins following countback.

MATCHPLAY COMPETITIONS:

Dates to be announced. Completed entry forms required by closing dates. Extensions to dates for play will only be granted by the Handicap Committee. These are dependent on the delay caused and are at the sole discretion of the Handicap Committee.

ORDER OF MERIT TROPHY (O.O.M.) (G):

The winner of the play off will be decided by the lowest combined score over the 1st, 17th and 18th Holes. If there is still a tie the winner will be decided on sudden death over the same holes.
